General Order 8

Date: February 5, 2009

To: All Train Service Personnel

Subject: Electronic Devices

- 1) All personal electronic devices must be turned off and any ear pieces removed from the ear and placed in your locker, grip or personal vehicle when train service personnel sign in for duty.
- 2) Train crew members except the engineer may use a railroad supplied electronic devices as authorized. Engineers are prohibited from using any electronic device while on a moving train or when a duty requires any member of the crew to be on the ground or to ride rolling equipment and during any period when another employee of the railroad is assisting in preparation of the train.
- 3) Train service personnel may use a personal or railroad supplied electronic communication device as necessary to respond to an emergency situation.
- 4) See the attached flow chart for further clarification.
